ABOUT US:

The Premium Pet Products GmbH is a distribution company and point of contact for all trading partners. With its strong international sales and export team, we support you bringing our brands to the world. We are a well organized and structured team.

We are happy to support you:
our strong sales team supports you at all times on site or remotely!

We offer you a **comprehensive range of POS materials** (brochures, samples, and more) to address your end customers.

In case of limited placement capacity we also **offer various displays as an alternative**, from wooden or chip displays to snack grids- you can expand your space with everything.

Do you want to order directly? **Simply register in our B2B shop at www.premiumpetproducts.de/en.**

Ask our team about our broad product range!

ARDEN GRANGE™
nutrition without compromise

About us

We are a British pet food brand that has been a pioneer in pet nutrition for over 25 years. Built on our core philosophy of 'nutrition without compromise' all our dog and cat diets are based on no-nonsense, naturally hypoallergenic formulations. Our foods are gently digested and highly palatable with no added artificial flavours or sugar.

Our recipes contain exceptional ingredients, carefully sourced and included for their nutritional value. We combine these with powerful natural supplements to promote optimum health and wellbeing.

Naturally hypoallergenic
